No ONGC/HSE/2025-26/Advisory/02

Date 01.08.2025

### **Advisory on Mandatory PPE Usage & Mobile Phone Prohibition in Operational Areas**

In accordance with the directives issued by the Plant Manager, all ONGC and contractual employees are hereby instructed to strictly comply with the following safety regulations within the Hazira Plant operational areas.

#### **Use of Personal Protective Equipment (PPE)**

All personnel must always wear prescribed Personal Protective Equipment (PPE) while entering or working in operational zones. Entry without full PPE will be treated as a serious safety violation.

#### **Mobile Phone Prohibition**

The use of mobile phones is strictly prohibited in operational area due to critical safety and operational concerns.

Any violation of the above safety instructions will be documented, and the identity of the individual involved will be displayed on the ONGC intranet for transparency and accountability.

All concerned are advised to treat this advisory with utmost seriousness and ensure immediate and continuous compliance.
